## 2019 Department Convention Voting

Chairmen of post delegations should check with the Headquarters staff at the Convention Registration Desk at the North Raleigh Hilton upon arrival in Raleigh to be sure that their Post delegates are properly certified. In accordance with Article V Section 9 of the Department Constitution and By-Laws, only those Posts whose delegates are duly certified and whose registration fee has been paid will be permitted to vote in the Department elections. The pre-registration fee is \$5.00 per delegate. Registration at the Convention will be \$7.00 per delegate. Certification for delegates must be received at headquarters no later than **May 27, 2019**.

## Post Commander/Adjutant Packets

This year we are again endeavoring to get an early start on our 2019-2020 membership program. In order to do this, it is imperative we get the Commander and Adjutant packets and 2020 membership cards into the proper hands as soon as possible. The packets will be made up and ready for you to pick up during the Department Convention, June 6-8, 2019, in the storage room across from the registration desk at the North Raleigh Hilton, Raleigh, NC. **Please be sure to sign for your packet and give your Post number so that we can determine who has not received a packet.** *If it is impossible for you to attend the Convention, please make arrangements with someone from your Post or one nearby to pick up your packet. Any cards not picked up will be given to your District Commander.*

## Newly Elected Post Officers

Your tenure of office for the current membership year is quickly coming to a close. However, many of you will be re-elected and continue to serve your Post, while others will be replaced by new officers. The staff at Department Headquarters hopes that this monthly bulletin has been of some value to you. If you have not already done so, please forward a list of your newly elected Officers as soon as possible. **(Forms, both Post Information and Certification of Post Officers, are included in this mailing)** Please notify Headquarters **EVEN IF THERE ARE NO CHANGES** so we can make sure our records are complete for mailing and emailing purposes. It is our constant desire to be of assistance to each Post, and it is only through a team effort that we are able to accomplish our goals throughout the year. **It is important to report address changes, i.e. new zip codes, and email addresses. To ensure you will get the information you need, make sure our information about you is correct. We are encouraging as many post officers who would like the mailing to start receiving it by email. Please be sure to complete the back of the post information form.**

## Student Trooper Program

The American Legion Student Trooper Program is shaping up to be a large success. This year the Highway Patrol Training Center has room for 40 students. There are still openings if you have a young man or woman who would like to attend. Thank you to everyone who worked so hard to get the word out to the schools and students who will be attending. Reminder: the program dates this year are June 16-21, 2019.

## Boys' State Program

Please remind your delegates to Boys' State to take band instruments and athletic equipment (tennis rackets, baseball gloves, etc.) with them to Catawba College. Thanks to all the posts who have sponsored Boys' State Delegates. We expect a class of approximately 275-300 delegates and are gratified by the warm welcome Catawba College is extending to The American Legion. Dates are June 16-22, 2019.

## Legion College, Called DEC Meeting

This year's College and the **REQUIRED DEC meeting** will be held at The Village Inn, Clemmons, NC, July 12-13, 2019. The session will include a banquet on Friday evening. ## Appeal to All Members for Support

Your support is very necessary and appreciated with our Department Label, Sweepstakes and Calendar Program. These funds are very much needed to maintain our Department budget which affects all of our programs and in every aspect of our Department (building, vehicles, etc). Please encourage all of your members to support these efforts to help maintain our Department for all of its members. These funds help us keep our membership dues as low as they can possibly be. Remember: one of the best ways to help your American Legion Department of North Carolina is to sign up a new member.

## The Legion Bulletin

## Legionnaire Insurance Trust LIT

Please make sure that your post members are aware of the enhanced **NO COST** benefit of the new Legion Care. **FREE AD&D** insurance. Just fill out the form and mail it in for coverage. Nothing is automatic, so you must mail the form. **\$5,000** in accidental Death coverage for covered accidents that occur if you are traveling on official Legion business. **\$1000.00** for all other covered accidents. 24/7 protection that covers Legionnaires at home, work or while they are traveling away from home. This is available to all "**current**" Legion members. This is one thing that you just do not want to "put off".

## Ronald McDonald Houses

This is a reminder to bring in your Aluminum Pull Tabs for the NC Ronald McDonald Houses. Your donations are very important to the families that stay at the Ronald McDonald Houses while their child or children are going through cancer treatments. It takes about 1,100 pull tabs to make a pound so everyone counts and so do you!

## The American Legion Programs

Knowing is understanding and appreciating. Attend an American Legion Baseball Game; attend a high school Oratorical Contest; attend a graduation of Boys State; attend a graduation of the Student Trooper program; attend the metals presentation during a JROTC event at your local High School; attend a Boy Scout (Eagle Scout) Court Of Honor; attend a Junior Shooting Sports (Air Rifle) Competition. The American Legion has so much to offer our youth, but only if they are aware of them. Get involved with these programs, you will be glad you did!

## Legion News Submissions

The Legion News is now published **3 times a year**.
