Serving Those who have served

Post meetings and COVID-19 virus:

We have already cancelled our April 2020 meeting and have published notice cancelling our April meeting as well. These cancellations have been due to our desire to keep our members safe from the COVID-19 virus. We are also abiding by NC State law restricting meetings to groups of 10 or less and adhering to social distancing. The NC Department of the American Legion has also requested that all Posts in North Carolina cancel meetings and events until further notice.

Please note: Our Post is STILL OPERATIONAL! Members of the PEC (Post Executive Committee) are providing leadership. Our Service Officer and Chaplain stand ready to provide support to members and local veterans whenever and wherever we can. Our Commander and Adjutant are working to communicate with Post membership with news and information of interest.

ELECTIONS:

Per our Bylaws, we are to freeze nominations for election of officers during our April meeting. Since this meeting has been cancelled due to COVID-19, the Adjutant has been directed to send emails to Post members with email addresses on file and letters via USPS for those with no email informing them that nominations for any office will be closed as of 9pm EDT on April 16th at which time the slate of officers will be closed. The Commander has asked all members desiring to participate in Post leadership to self-nominate for any position they wish to pursue.

Currently, we have a full state of officers for the 2020-2021 membership year to include new position – Judge Advocate.

Elections are still planned for our May meeting. In the event we must cancel the May meeting, we have received guidance from our Department Judge Advocate on how to conduct elections for office using electronic and manual ballot means. The election committee is currently working on this process.

YOUTH PROGRAMS:

Due to the closure of North Brunswick High School, the JROTC awards ceremony has been cancelled. Col Baker is working on a plan for getting our Post awards to the recipients. Boys/Girls State is still TBD.

BUDDY CHECKS:

Membership coordinator Dan Fortini along with members of the PEC have been performing buddy checks – reaching out to Post 68 members checking to see if any member needs assistance.

SERVICE OFFICER REPORT:

Our Service officer has been working with several local veterans on VA benefits and other issues.

CHAPLAIN REPORT:

Nothing to report

COMMANDERS CORNER:

Fellow Post 68 Members:

We are certainly in the midst of some challenging times. The uncertainty of what the future holds along with the restrictions on travel, meetings and group activities create stress that we all are experiencing. It's important that we not lose touch with each other and that we don't forget that we are all here to help each other. This newsletter is intended as vehicle to help us to stay in touch and contains information about Post events, activities, cancellations and programs. We intend to make this a regular publication. Our Executive Committee members are staying engaged. We had our first Post Executive Committee (PEC) meeting using virtual tools last week. It went well so we will be able to continue to work together on Post business throughout the current emergency. We will be communicating with all of you via email (and regular mail for those of you without email) regularly to make sure everyone is OK and to provide you with information on veteran issues, local items of interest and Post activities. One item of immediate interest is our annual Post Election. The details are in this newsletter and additional information will be forthcoming.

If you are in need of assistance, or know of any veteran who is in need, please let us know. Our primary mission is still to help veterans in any way we can. We are all in this together so don't hesitate to reach out to share ideas, volunteer to assist when needed and/or just to talk. Take care and stay safe.

Dale
